

**Workshop on 2019 Japan-Thailand human resource development program
for next generation biotechnologist utilizing insect-plant resources**
supported by Japan Student Services Organization (JASSO) Scholarships

12th July (Friday), 2019
@Building 2, room 441

12:55~13:00 Opening Remark

15 min presentation, 5 min for Q&A

13:00~13:20 Ms. Patcharin Phokasem (Chromosome Engineering lab)

13:20~13:40 Ms. Thida Kaewkod (Biomolecular Engineering lab)

13:40~14:00 Mr. Chayapon Tana (Applied Microbiology lab)

14:00~14:20 Mr. Phatarawat Thaklaewphan (Cell Signaling and Engineering lab)

14:20~14:40 Ms. Waraluk Yarangsee (Cell Signaling and Engineering lab)

14:40~14:50 Coffee Break

14:50~15:10 Ms. Pensiri Buacheen (Insect Biomedical lab)

15:10~15:30 Mr. Natchapon Kammasit (Insect Biomedical lab)

15:30~15:50 Ms. Thunyarat Chantaphanwattana (Insect Biotechnology lab)

15:50~16:10 Ms. Kanyarat Chairaks (Neuroscience lab)

16:10~16:30 Mr. Wisit Thitinarongwate (Neuroscience lab)

16:40~ Awards Ceremony by Prof. Seiji Miyata, Director of the department
